VOTER GUIDE

BE INFORMED. BE INVOLVED. BE HEARD.
VOTE REPUBLICAN

TAKE ACTION

In 2022, **only 50%** of Republican and Independent voters cast their votes. As a result, we ended up with Democrats controlling the Michigan Senate and House, along with the governor, attorney general, and secretary of state. This has led to disastrous legislation and bad policies that have hurt our economy, education system, and individual freedoms.

This year we have an opportunity to undo much of the damage. We need to ensure that **Every Republican** and Independent casts their vote. Michigan now has 9 days of in-person early voting, making it easier to show up and make your vote count.
